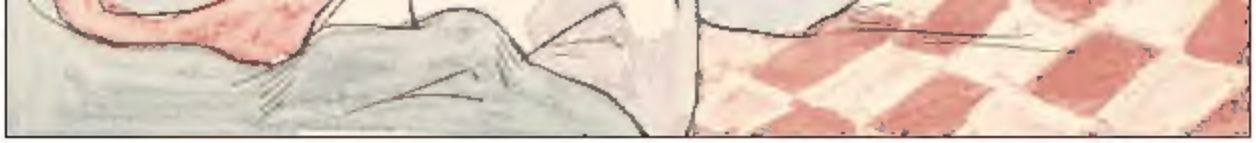
Chapter 10

A Cool Eve



고양소년의 고양한 날

글/그림 마리(y_y1020)

Oppa, what time does your lecture end today?
Around 2 o'clock

I'll ask my sister to take care of him

I won't have evening class today so let's go to mart together after you finished

Why?

Let's bring Ran, too

We'll decorate tree,
buy presents

Things that need
to be prepared...

ㅋㅋ
We need
lot of things

Yeah, really...
It looks like that...

The temperature in Seoul this morning is -2

It will fall to -9 in the afternoon and until tomorrow with a cold wind

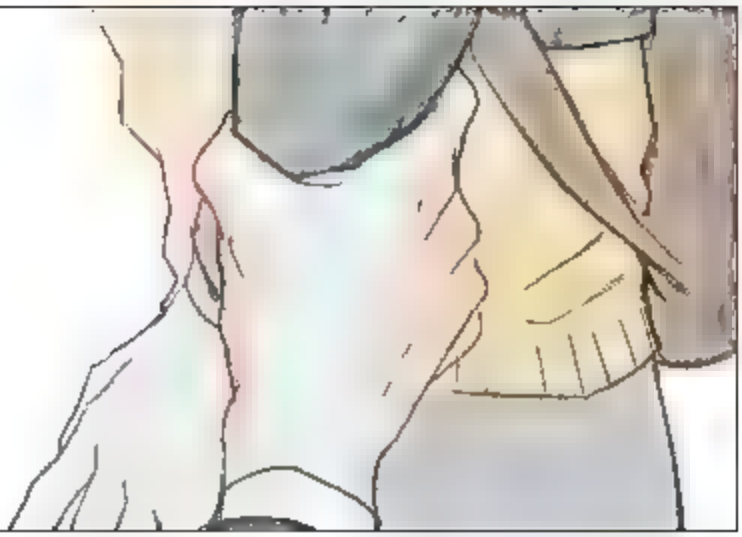
It will snow

The daily temperature difference is great, so when you go out...

Hey, ugly kid

Hey

Why are you just passing by?



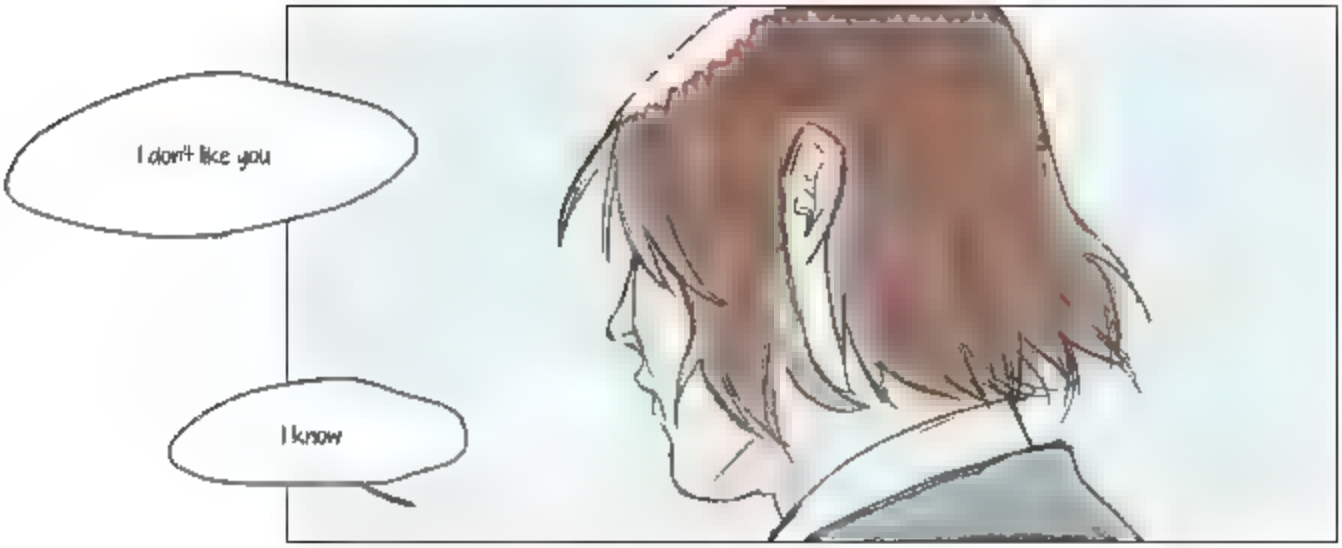
I told you not to wait for me
hate to be mistaken for dating you

So what?

are you pissed off?

We're friends, right?
..let's distance ourselves

Hey,
I've been friends with you
For more than 10 years.
What do you mean
distance now?



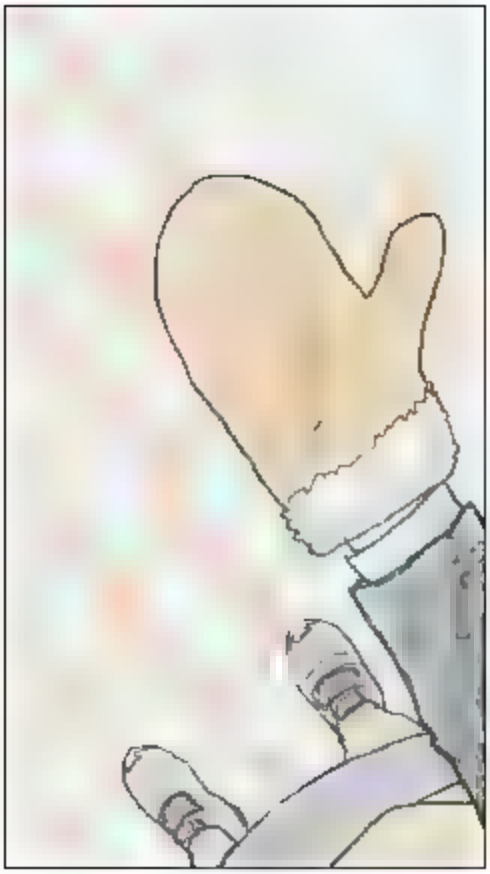
I don't like you
I know

No one said anything
didn't even ask.

I'm just waiting for you
to make sure you are not
being clumsy

But did you really hate
the rumour of you and dating?

I'll go first



I won't turn a blind eye just because tomorrow is Christmas!
Don't be so excited and focus on class

Wake him up

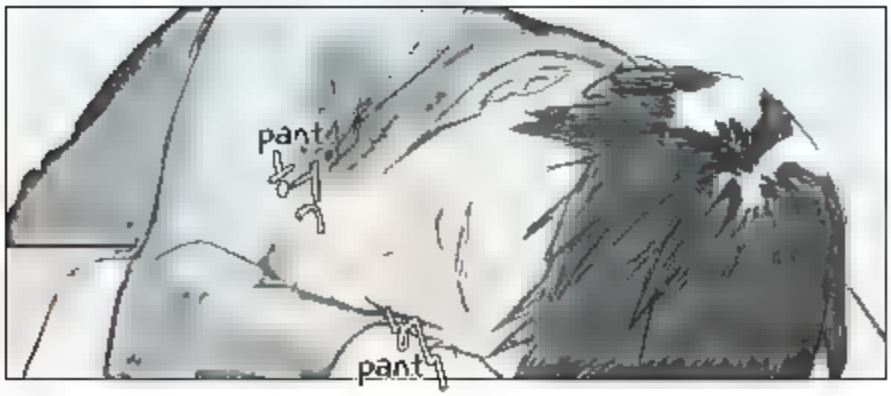
If there's anyone sleeping,
I'll punish their partner
for not waking them up

Hey, wake up

What? That makes no sense

Hey

The teacher asked me to wake yo...
hot

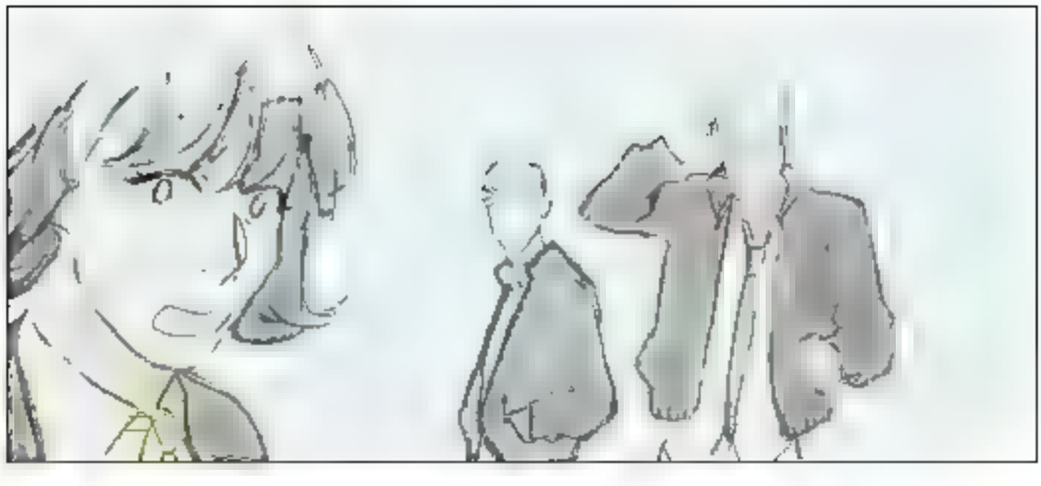


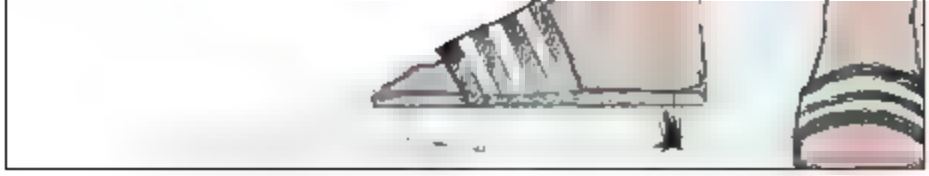
pant
pant

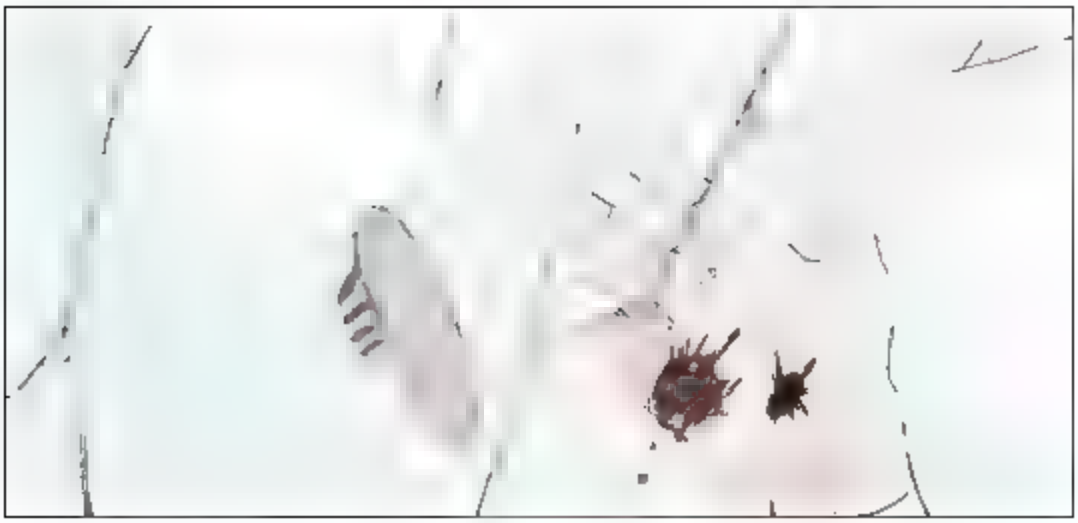
Excuse me, sir
He's got a terrible fever

Hey Nayoung,
why didn't you come with Hanseo today?
What happened with you guys?
Nothing,
even though
if something had
happened
there's no reason
for me to tell you

Hey Lee Nayoung,
you have been rude
for sometimes now
Don't do it Hyeri.
What?
Did I say something wrong?
Don't suffer like that
...ee Nayoung, let's talk in
Hey,
step aside!!!







Did you hurt your eyes??? You're bleeding...!
Let's go to the infirmary
An... I'm alright...
can go by myself

Get out of the way

How badly were you hurt? Raise your head
??
It's alright. I'm not that h
I told you to raise your head

.....

It's okay... It's just a nosebleed

I'll go to the infirmary alone
Are you alright? Hey Jongshil-
Tsk
Of course you'll be like this for trying to act nice, which doesn't suit you at all

I'm alright, Hyeri. Don't come
.. hey, but still-
.....

Which bastard is it?

Glossary

Oppa:
A Korean honorific used by younger females to address their older brother or any male older than them whom they're close to.
